

December 2015

Dear Paul and GHI team,

This is to send you warm greetings and love to you as we celebrate the birth of our Lord and Saviour Jesus Christ.

We are grateful to you for the love, sacrifice and tender-loving-care to us and those we minister to. We have been able to take the love of God to those who live in the background. The people "...who lived in the darkness have seen a great light...". It is free to them because you have paid donated to the ministry.

This is a very busy season to us. We have hosted an interdenominational Youth Camp of some 200 youth from 20 rural churches in Masaka district (Dec 7 - 11), an interdenominational Pastors' Training -70 pastors (Dec 15 - 18) and I am traveling to Buwunga Sub-County in Masaka district for a children's Christmas party (about 100 children from two villages). The car is loaded with some really good gifts to distribute to those little rural children. We are giving the children a rare treat to convey the message of the love at Christmas.

I may not write more than this right now as the children are waiting... I will write more sometime soon.

We love and appreciate you.
