

EFOGE - August 2018

Dear friend & partner,

I hope this email finds you well and please receive warm greetings from Kenya!

I need your prayers. Our long awaited date for "[2018 Faith and Gender Conference](#)" in Kampala, Uganda is almost here, with only 13 days left. My joy is that we've managed to register about 90 participants from over 10 countries around the world. This is another God-given opportunity to engage each other in the spirit of love, about gender justice, equality and women empowerment from a faith perspective.

The big question is, where is the disconnect between faith and Gender? Why does the empowerment of women and girls seem to be so heavy, a no go zone for many within faith community, and how can we bridge the gap?

Personally, I'm so inspired to lead and engage with faith community through this positive dialogue. This is my greatest passion! Attached, please find Conference Schedule with our competent and experienced speakers and their topics from across Africa, Canada, USA, Australia, and more...

We received several scholarship requests from local pastors who are not able to pay registration fees of \$200, for full accommodation and day conference package for three days. Gladly, we received support from CBE International, based in Minnesota and we've paid for 40 local pastors to attend this event. We are remaining with 20 pastors who really want to attend this event but cannot manage \$200. Are you able to support one or two clergy/pastor to attend this event and be empowered to challenge gender stereotypes that keep women and girls in circles of poverty, endless slavery and sexual violence?

Please, you can donate and help us empower these worthy faith leaders as agents of change. We need to raise \$4,000 for 20 pastors. You can [Donate now](#) and receive your tax deductible receipt.

As our partner, if you also desire to attend this event, you can make last minute registration, opportunity given only to you to get in touch with our vision - for equal worth, equal leadership and equal dignity for women and men in the Home, Church and Society. You can [register here](#). This window of opportunity ends on August Wednesday 17th, 2018 at noon East Africa time. You can as well recommend and sponsor your friend/partner.

Be part of this "Faith Movement for Gender Equality" and learn how to challenge and transform gender stereotypes within our faith community to help eliminate rampant sexual and gender based violence.

Thank you so much for your continued support and prayers.

Sincerely,

Rev. Dominic Misolo
Executive Director

Ekklesia Foundation for Gender Education
