

Merry Christmas to the Friends of Diane Gorham and Children's Ministries Agape Farm!

We want to thank Mike and Martha Port of Persons Helping People for partnering with Agape Farm for many years. Our new non-profit partner is Global Horizons Inc. Global Horizons was founded in 1994. Believing communities are the best agents of their own change, GHI partners with over 40 locally-led projects worldwide. We are excited for this new partnership, which provides Agape Farm the opportunity to have an online presence as well.

Updates at Agape Farm

- We have a new 1x2 classroom block built by Sanlam Life Insurance Zambia's "Blue Ladder Project," which supports education in mathematics.
- The school program has grown! We now have 7 teachers, and 300 students in grades 1-7, with hopes to add grade 8 soon.
- Just this fall, 3 acres of corn have been planted along with 50 banana and 15 mango trees.
- Diane will be returning to Agape Farm this spring to continue children's ministry there!

New Needs

- 2 flush toilets, and installation
- Classroom equipment—chalkboards, desks, books
- Reconditioned 4x4 truck (\$15,000)
- For the new buildings—solar ovens, solar lights, solar panels
- Repair of bore holes and addition of water sources on the property, primarily for proper watering of the corn, banana and mango trees.

Ongoing needs

- Ongoing salary funds for our teaching staff (\$1000/month)
- Ongoing funds for maintenance of vehicles and property

Long-term Needs

- \$4000 to build a chapel on the property

For the fulfillment of the above needs, we have set our fundraising goal at \$30,000 for 2020. Our US-based committee invites you to continue supporting the work of Agape Farm of Zambia. Remember to make your gift to "Global Horizons" and put "Agape Farm" on the note.

With gratitude for your generosity at this time when we celebrate the Greatest Gift, our Lord Jesus Christ,

Diane Gorham and the Children's Ministries Agape Farm committee
