

RVOBUSA – 2015 Updates

1. We have knelt down and prayed in 48 of the continental United States for our country proclaiming God's Word all over the U.S.A. it has also been a blessing to teach others how to do this as they traveled across the United States.
2. We have ministered in over 20 + camp campgrounds & shared God's love and blessing everywhere with everyone Sometimes around a campfire or by visiting their campsite.
3. While on the road we have minister to the homeless by passing out "hope failed" bags, minister to truckers by handing out M&M bags of candy, we have prayed for many for salvation, healing and family restoration. Along the way we have been giving out free hugs, done free Psalm reading, and handed out Bibles and books.

RVOBUSA

3 lessons learned so far in 2015...

1. We go where God has called us, there we find people who are happy to see us ,they are hungry for God and long to be loved and cared for.
2. People from all over the world have blessed us financially, emotionally, spiritually and financially it is amazing.
3. RVOBUSA, Larry and I have been nominated as RVers of the year through good Sam's Club of America. Voting will take place this fall.
