Partnering with peacemakers across the globe

EMPOWERING LEADERS TO FOCUS ON THEIR PASSION

GHI provides coaching and ministry equipping to global leaders so they can transform lives and communities. We partner with visionaries, pastors, entrepreneurs and peacemakers, handling the day-to-day details of ministry and nonprofit operations so that leaders can focus on their passion.

Connected through Christ

A NONPROFIT BASED IN LOVE AND THE GOSPEL

Global Horizons currently partners with over 40 projects worldwide. We believe communities are the best agents of their own change. We promote sustainable change by supporting projects that are locally-led. We strive to demonstrate God's love and live out the Gospel.

Caring for the Vulnerable | Community Development
Education | Gender Inequality | Economic Insecurity

"God has blessed GHI with capable staff who are knowledgeable in bookkeeping and reporting. Gloryshine couldn't operate without GHI's help processing finances. GHI removes the accounting burden so we can fully focus on our ministry objectives."

—Joseph, Gloryshine director

WITHOUT GHI, IMPACTFUL MINISTRIES WOULD CEASE TO EXIST

Using local resources and operating on small budgets, ministry leaders are following their call to serve. GHI makes that possible.

GHI provides a sustainable 501(c)(3) structure and foundation, ministry expertise, coaching and consultation. Without GHI, many international ministry projects wouldn't thrive. Some would cease to exist.

"Even though I'm doing what I'm passionate about, it's not without its stresses. GHI is by my side when I need support and encouragement. They offer hands-on assistance and are always available when I have a question or need extra support. More importantly, I know they are praying for our ministry on a regular basis! What a blessing."

—Kerrie, Food For His Children director
