

RVOBUSA

January 2018

Our first IBE Community Church service was amazing. IBE had 50 people attend which is great because a lot of people have not returned because of Irma. Our friend Wendy led worship. Larry oversaw the service and prayer time. I got to preach. What a blessing. What a miracle, what a joy and answer to prayer.

Our park is IBE which stands for Imperial Bonita Estates. A saying since Irma is **I BE STRONG**. So we looked at the Word S.T.R.O.N.G.

S Savior our need to one

T Trust in the Lord

R Rest in Him

O Offer Praise

N Name above all Names

G Grace is which is ours

The Holy Spirit moved in sweetness and peace and love. Our community came together in unity. A foundation of faith was established and it will continue to grow.

Thanks for your prayers.

We appreciate them and you.

God bless you, thanks for the support.
