Dear friend and fellow Comrade,

Praise God. We are blessed by God as He has called All of us to be his servants and ambassadors in this work of great Harvest. In the midst of needs, we've experience His divine connection in the Ministry with pastors from different villages, key leaders and in Kenya at large. In the coming month we will be conducting leadership training in Evangelism and discipleship with 30 pastors IN ONE OF THE VILLAGES, helping them build a healthy / firm churches.

I would wish to say sorry for not being able to send you our monthly updates in good time due to the fact I lost my only laptop plus other household goods when our house was broken into last year, 2017 election year time. Pray with me. I am trust God to replace the laptop.

WELCOME TO 2018, Blessed New Year!

2. MIGORI- There is an NLTC going on in KURIA- Nyabuhanse.

3: HOMA BAY - We did vision casting in Kochia pastor's fellowship and a package of our trainings will kick off in Feb. 2018.

4: SIAYA - There are several churches that are ready to partner with in the area of training and church planting, like: New Alpha, ACK Lundha Parish, GOC etc.

5: VIHIGA - Majengo pastors fellowship are ready for relaunch of our package of training.

10: MINISTRY Building: We urgently need your help to do some few repairs (1.some areas of our ministry building leak water when it rains. Also some of our iron sheets and timber are rotten or need repair. 2. Our benches are not in good condition, and we are in need of four black boards for writing. This will help in enhancing our ministry efficiently in the entire community. Please pray with us in this area, also SHALOM and HAPPY NEW YEAR 2018.
