

Christian Brotherhood Church  
May 3, 2018

Dear Friends,

Last Friday, the Bishop and I travelled to a town east of Juba. We went to inaugurate the new Diocese and to introduce the Bishop to his Diocese.

On Saturday the Bishop baptized 7 new believers.

On Sunday the Bishop celebrated the Holy Communion and I preached. After the service all of us joined together in a fellowship meal (lunch) at the church. It was a very memorable occasion.

We praise and thank the Lord for:

1. Making it possible for the Bishop and I to visit the town together for the first time.
2. The 7 newly baptized believers.
3. The open door before the CBC to preach the Gospel up to the Ethiopian and Kenyan borders.

Pray for:

1. Evangelist Ayela who is heading to work in this area.
2. The 7 newly baptized members so that they may grow and become witnesses for Christ.
3. The CBC so that we may get land in this new area.

I and the Bishop returned on Monday.

Blessings,  
Nikolai
