Dear Friends,

Greetings to you all, trusting that all is well with you as it is with us here.

I have not written to you lately, because I have been busy with church work. I and Bishop R. have travelled twice to Torit as it is a new place that we are trying to open up for the Lord. The last time we were in Torit, we bought two plots of land for the church, total area 1,000m².

The church sent the Deacon Y. to Torit to help Evangelist A. for a period of one year. It is hoped that after one year another worship center would have been established in Torit.

After the Torit visit I and Tabita travelled to Uganda to attend the funeral of my aunt's daughter. We are now back to Juba. This week I shall work with the Treasurer to prepare Financial Report for our donors and GHI.

Praise Items.

1. Praise the Lord for the evangelism that is being carried out in Torit Town by Deacon Y. And Evangelist A.
2. Praise the Lord for the discipleship training that the two men are providing for new believers.
3. Praise the Lord for the two plots of land for the church.

Prayer Items.

1. Pray for continued good health for me and Tabita for the Lord's work.
2. Pray for the Peace Agreement which was signed yesterday in Khartoum that it may hold and Be implemented.

We remember you all and pray for you all.

Nikolai & Tabita Vuni.
