The Graduation was held on Saturday, 5th May. It was well attended. 34 students were graduated. The graduands completed many educational programs - Skills Development, Certificate in Pastoral Ministry, Diploma in Pastoral Ministry and Bachelor of Theology. The last two programs which are accredited by the National Accreditation Board of the Ministry of Education, Ghana, were certificated by the Akrofi-Christaller Institute of Theology, Mission and Culture, which is the mentoring institution of the Seminary. For once an activity of the seminary was publicized on air. There would be another Graduation ceremony in November 2018 to clear the remaining backlog of ungraduated students. Thank you for your support

Thomas Oduro  
President
