Greetings Friends and Family,

Update from the Botchways

We do apologize for the long silence in our reports and updates of our ministry. Behind the scenes, we have been working hard getting ourselves ready for the change ahead of us. Most of you are aware that we are moving to Ghana after almost thirty years of ministry in Europe and America. Our plans as we submit to the Lord is to leave by the end of December 2018.

We are in the process of shipping our personal belongings and other things as needed for our work in Ghana. I'm planning to begin our ministry with our office in our house until it is necessary to rent a place outside of the house. For our office to run, we will need a few things such as a laptop, some bookshelves, chairs and tables. We shall also need a printer and an overhead projector. One of our biggest challenge will be to have a 4X4 3liter SUV vehicle. Those of you who have been to Ghana or other parts of the world will attest to fact that driving within the city is a challenge in small cars, how much more travelling to the rural areas. Our house is almost ready but still needs some work to be done. We have to re-do our kitchen, our bath and certain areas in our living rooms. Security is of most importance therefore, we need to secure our walls and re-enforce our gate. If you feel led to purchase

any of these items or contribute money, please contact me on 612 423 8364 or email me at pastor.albertb@gmail.com for prices and specifications. Thanks.

I was in Ghana this August of 2018 for the burial and funeral service of my Dad. It was a time to connect with family and to say good bye to a beloved member of our family. My dad was 88 years of age and his life touched many lives. After the funeral and all the family meetings, I had the opportunity to meet with my board and to finalize with some documents needed to open a Bank account. Glad to announce that a bank account has been opened for Enrich Leadership Network, Ghana.

“Our mission is to advance the kingdom of God by connecting with leaders, training, equipping, coaching and mentoring leaders to become agents of change”

Our ministry goal is threefold:

- First is to connect with leaders and Pastors to equip, coach and mentor for transformation.
- Second is to connect with Churches to help them with their missional commitment to bring transformation to their communities.
- Third is to encourage partnership with sister Churches in America, Europe and Ghana for greater kingdom impact.

We have partnership with Global Horizon Inc. to assist us in this great endeavor. For us to be funded and to begin this ministry, we need to raise \$25,000 by the end of the year 2018. I know you pray about where God wants you to give. If investing in us and our ministry fits into your giving goals, we would be honored to have you partner with us somewhere between \$ 40-\$200 a month.

God bless you for your obedience and partnership.

“I always pray with joy because of your partnership in the gospel from the first day until now”

(Philippians 1: 4-5)

Thank you for your partnership.
