Contagious Faith

To Consider

*Our churches are growing and our areas of ministry are expanding, but that has also increased our financial commitment for the Lord's work.

* As we approach the end of the year, we will have a better understanding where we stand financially, and how much we can expand and increase our church ministry.

*Would you come alongside us prayerfully, and give generously for Gloryshine for the year 2019?

*We need *monthly* financial partners and prayer partners

*To invest with us in our faith journey is crucial! Thank you!

Urgent Needs

* Mission trip to India \$4500

* Next 3 months salary \$7065

* 2019 Monthly budget approx. \$4000

* Two Church lands \$25000

Neeraja is a new believer attending our church for the last six months. Her testimony is powerful and her deep desire for going to church and worshiping the one true God is contagious. Her challenging circumstances, however are no bigger than her trust in God and her simple faith is powerful!

Neeraja was married to her husband for some time but was harassed by her in-laws for going to church. As she faithfully refused to deny Jesus, the harassment increased week after week.

She never gave up going to church and through much prayer and persuasion God changed her families' hearts and they let her go to church.

Her perseverance and prayers were answered and not only was she able to attend but her husband's sister, moved by her testimony, started attending church services as well. Her testimony was so encouraging to the other believers and she praised God for changing her husband and his families' heart.

An update to this story: A few weeks ago her in-laws came to the church for prayer for the first time. Neeraja is a living testimony of how God uses and turns around situations as His witness. Please pray for Neeraja and her family.

** We did not make these stories happen but **God did it** through your **prayers** and financial **giving**, We are privileged to witness them through our **Gloryshine churches**. This would not be possible without you. **

Orphan Care Continues

Update from the Janga Family with Gloryshine India

Highlights

- *Orphan care continues*

Dear Friends,

We are grateful to God for His grace in our lives and the ministry of Gloryshine. The year 2018 has been a year to remember because we were blessed with Evangeline. She is such a precious gift from the Lord and we are thankful to God for this new gift of life.

We are also grateful to God for prayer partners like you. We felt loved and cared for and that has meant a lot to us. Your faithful prayers and generous financial gifts have enabled us to increase Gloryshine with two more churches and begin orphan care for two young girls.

It is a blessing to witness these young lives that are being found and nurtured in the grace and love of our Lord. We are privileged that we can show the love of Jesus to them.

We reached a little over 50% of our budget goals this year 2018 and we are looking forward to continuing to trust and depend on the Lord for His provision for the year 2019.

Although there was a difficulty we had to face, as one of our new churches was shutdown due to opposition in the village; we are seeking God's wisdom and guidance to resume the church service soon. There is a possibility we could buy a piece of land for the church and build a church building. This plan would give us a legal right to run a worship service, however it also involves more financial commitment.

Working together building His kingdom & investing in eternal riches for the glory of God; is there anything better than this?! Thank you!

Upcoming mission trip: If the Lord allows, Joseph will be visiting India December 12 – January 15, 2019. He plans to take a missions team with him for evangelism and training pastors.
