## FOUNDATION FOR AFRICAN SOCIAL ENTREPRENEURSHIP

December 2018

**THE FOUNDATION FOR AFRICAN SOCIAL ENTREPRENEURSHIP (FASE)** was created to advance the potential of social entrepreneurship - a model that combines business and nonprofit social impact

**THE GOAL OF FASE** is to bring together Africans living abroad and their local community networks to impact social good in underdeveloped areas of Africa especially in the areas of:

- Health Care
- Education
- Environment
- Food Security

**“We want to help Africans living abroad who want to make a difference in their home communities”**

-Alfred Sesay

## You can impact social good!

FASE is a partner of GLOBAL HORIZONS INC. a registered 501C3 nonprofit (EIN 41-1805314). Donations are tax-deductible to the fullest extent of the law.

## OUR APPROACH:

### Locally:

**BRIDGE** local communities and Africans living abroad to assist in solving social problems across the ocean, in Africa

### In Africa:

**ORGANIZE** community groups to identify issues, and create strong community involvement

**CREATE** innovative solutions grounded in cultural frameworks and collective leadership

**DEVELOP** leadership skills for social entrepreneurship

## OUR PROGRESS:

**Mobilization of a clinic to meet people in rural areas where it was difficult to access health care**

**Designed a school garden that now grows nutritious vegetables for school lunches, where children were going an entire school day without eating**

**Coordinated the sharing of school supplies, donated from the UK, to improve education**
