# Ministry Update!

*March 6, 2019*

Dear Friend,

I praise our Heavenly Father for His gift of another year. In God's remarkable kindness and mercy toward us, He has granted that we should be alive in this world and at this time. My prayer is that you may increase in the knowledge of His grace and truth (2 Peter 3:18), seeking first, always His Kingdom and righteousness (Matthew 6:33) in an ever increasingly corrupt and perverse generation (Philippians 2:15).

I thank you for your support toward CTCC last year, both financially and prayerfully. A special thanks to those of you who gave towards the year-end plea. A total of \$6800 came in and will be used to meet the critical needs of the ministry this year.

God continues to bless the work of this ministry. Before this year started, we had seven partner churches in the Douala area. Since the beginning of the

year, there have been three more partner churches added. So, a total of 10 churches in partnership.

As I seek to move the ministry of CTCC forward in achieving set goals and especially the mission I believe God has for CTCC, I need wisdom and guidance in deciding what steps to take.

Also, the political climate in Cameroon is getting worse and even more gloomy than it already was. The times are sad and stressful here in Cameroon. I, therefore, beseech you in the name of our Lord Jesus Christ, and through the love of the Spirit that you strive together with me in prayers. Pray that I may persevere in hardship, be guided by the Spirit in my work for the gospel of Jesus Christ to parents, and families and that I may be faithful in doing all things unto God.

Thank you for your partnership in this ministry of the gospel. As we pilgrim along this path with many who have gone before us and many yet to come, this is my prayer for you this year "May the God of hope fill you with all joy and peace in believing, that you may abound in hope by the power of the Holy Spirit" (Romans 15:13).

Grace and peace to you in Christ!

Thanks,

Emmanuela

**Some things you can look forward to and pray for this year would be:**

1. A curriculum for children and family. This curriculum will connect church and home through lessons for Sunday school and follow-up weekly devotionals for parents to use at

home with their children. The writing process is currently underway.

2. Registration of the ministry with the government so that CTCC will have all the legal rights to operate in Cameroon. This process is also currently underway and the red tape involved, mostly due to corruption, is making this a very challenging process.
  
3. Ministry Expansion: I am forming new ministry partnerships and expanding the ministry to the North and western regions of Cameroon. I have been invited to make a preliminary vision trip to the North. It is a Muslim area, and the church is growing there significantly.
