*"EQUIPPING LEADERS TO BECOME AGENTS OF CHANGE"*

The Botchways Update

May 2019

As reported in our previous update, we've been working and preparing towards our May Leadership Seminar which took place in Akim-Oda, in the Eastern Region of Ghana. The date of the Seminar was May 18th, 2019. We were anticipating to receive about 30 pastors but praise God we had 40 who registered. The meeting was scheduled from 9 am til 12 noon but went til 12:45 due to the late start.

Thank God for the lead host pastor Rev. Tetteh and his team; They did a great job. The host Church was the Apostolic Church and they were represented very well. Our next seminar will be in July. Pray for us as we meet with some new pastors for the upcoming seminar.

## **A TESTIMONY OF AMAZING INWARD WORK OF THE HOLY SPIRIT IN A PASTORS HEART.**

When the meeting was done, one pastor came to me and asked if he could meet with me or call me. On Monday morning he called me and shared how messed up he was in his marriage relationship. During the teaching session, he reported how God's word confirm what the Spirit of God was directing him to do. After a time of going through the Bible, he decided to make some changes. These changes are going to be tough but he has decided to pay the price to honor God. He asked if I could mentor him. He requested if I could share his story to let others know the work God has done in his life. Please pray for him as the changes might cost him dearly. Testimonies like this make the bad roads and the travel challenges worthwhile.
