

## ***Summers are good for the Soul***

---

We love summers here in Kandern as there are hot weeks and cool weeks, local summer festivals and a different kind of busy for us than the rest of the year.

In summers we get to help missionaries transition out, move to new locations or housing and care for those staying behind. 70% of this missionary community travels from late June through early August.

Each year it is a different mix of things we get to help with and we enjoy being here to be able to assist, comfort and care for their needs. Sometimes it is debriefing, sometimes it is taking care of their leftover belongings and trash. So our backs are sore and our garage has extra stuff in it that will bless new missionaries coming in mid-August. Very rewarding!

As a family we get to have our oldest, Hannah, back home with us for a big chunk this summer and we treasure our family being all in the same place. Megan is going to give online community college a try this next year and Micah will be a freshman in High School!

It is in the summer we regroup and seek the Lord on what to tweak or change in how we minister and refresh our vision for serving missionaries. He always has new ideas and we are excited to partner with Him.

Our last airport drop off and goodbye just happened and then we have two weeks before the first group of missionaries return and the hello's begin again. In all of this we see the faithfulness of God and how He meets us and them in all of these situations and seasons.

**Come and see David in the next 2 weeks!**

He will be traveling to the WA and MN for a short visit and would love to connect with you if possible:

- Yakima Washington, July 24th - 29th visiting with family and supporters
- Speaking at Wiley Union Church July 28th
- Lakeville Minnesota, July 30th - August 6th, visiting with friends, supporters and maintenance on our home in Lakeville.
- **Wednesday July 31st our ministry board and David are hosting a time of sharing at Dare to Believe in Burnsville!**

Come and say Hello to David and our board and hear more about our ministry.

In May David and Anna took a week for visioning, prayer, and soaking up God's beautiful nature in the Alps near Annecy France. Just Glorious!

### ***Praises & Prayers you can join us in:***

#### **Praise**

- Thank you for praying for clarity about our house in Lakeville! Our renter has asked us to extend the lease and we agreed. Praise God!
- Megan has landed on what she will do this next year!
- Another fruitful year of meeting missionaries' needs and leading them towards a deeper relationship with Him. We are so blessed!

#### **Pray**

- Renewal for us and those we minister to over the next few weeks so we can start another year of service fresh.
- Deep connections with those we will be able to minister to this fall.
- Peace and calm as Micah and Megan start another challenging school year in August.

- We are changing up a little on how we will structure our day to day starting mid-August. Pray for understanding and clarity as we communicate these changes to those we minister to. This will enable us to reach those who get lost in the busy shuffle of this community.
