Dear Friends,

Greetings to you all in Jesus' Name.
Today is my birthday! Praise the Lord I am 81.

I and Tabita and the children are all well. I returned from Nairobi last Friday where I had gone to attend a workshop on Advocacy (see photo). All is well in the church. Tomorrow is the monthly church leaders' retreat where I shall teach on "Knowing What We Believe In". This retreat brings together all the Bishops, Pastors, Deacons, Evangelists, Teachers and Choir members from all CBC branches here in Juba.

The political and security situation in Juba is calm.

PRAISE ITEMS.

1. Praise the Lord that the cease fire is still holding and the peace agreement implementation is going on though at slow space.
2. Praise the Lord for good health.
3. Praise the Lord for the translation work that I am doing together with 10 other people.
4. Praise the Lord for the 2 grandsons studying in Egypt and 2 granddaughters studying in India so that their parents can continue to support their studies.

PRAYER REQUESTS.

1. Continue to pray for peace in South Sudan.
2. Pray for our translation team to be committed to the work so that the Ma'di 'Burulo people can get the N.T. in their language.

We remember you all in our prayers every day and ask the Lord for good health for you all.

Blessings.

Nikolai & Tabita Vuni
