Dear Friends,

Today is Sunday and we have just returned from church. Today the preacher is our first born daughter Grace. She is the leader of the Women's Ministry in Juba Diocese.

Last Sunday Tabita was the preacher and today our daughter Grace and next Sunday I shall be the preacher. Pray for us as a family that the Lord may continue to use us as a family for the good of His church. This is the picture of our daughter Grace preaching in the church.

Dear Friends,

Greetings in Jesus' Name. Today is Sunday, the Day of the Lord. I am sure you enjoyed the word of God in fellowship with other believers in the Lord's House.

Today I was the preacher in a church at one of our parishes. The text was I Kings 21:1_end. The situation in Israel at that time was like our situation here in South Sudan today. Land grabbing is rampant. 3 of our church plots here have been grabbed. We are waiting for peace and law and order to return to the country then we can go to court to reclaim our land. Pray for us.

This is a picture of me blessing the offerings and tithes at the end of the service.
Blessings to you all.

Pastor Nikolai Vuni.
