

***“The Lord will give strength to His people, the Lord will  
bless His people with peace.”  
Psalm 29:11***

---

We hope that you are able to experience His peace in this season and we pray that it will deepen in you!

In the ministry that we get to carry out, it can quickly feel as if **we** are the ones providing peace and comfort and relief. In many ways we can provide some of what is so desperately needed but **our Lord is the One** that gives us that peace and strength that will change our perspective of our circumstances and give us rest. As we entered this new school year in ministry to missionaries we are encouraged and hopeful for another year of leading others into His presence as we help them sort out circumstances and difficult decisions.

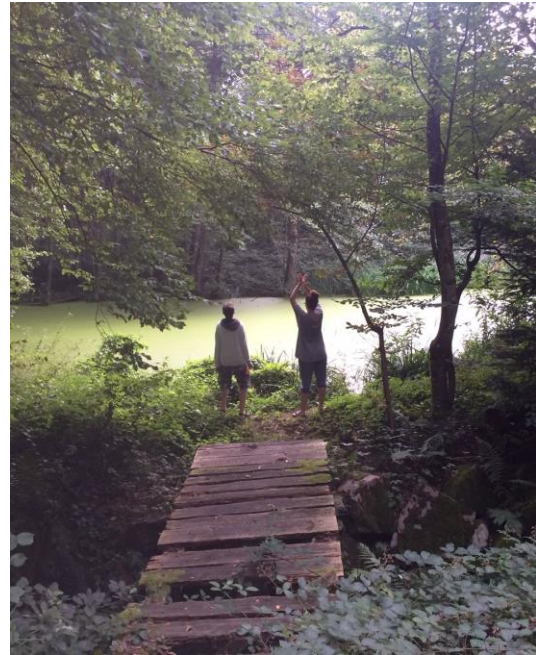

David had a wonderful visit with his family in Washington and our dear friends in Minnesota. Here is the video we prepared for those visits, in case you missed it.

Over the last two months we:

- saw Hannah off back to college for her junior year.
- said goodbye to our beloved family dog, who we miss.
- are watching Micah grow literally into a young man. He is a freshmen in high school at BFA and is taller than Anna (now the shortest in the family) and Megan at almost 5ft 8 inches! He is also growing in character and faith. We are still working on his jokes.
- enjoyed having Megan home with us. She is volunteering at BFA in the Library a couple hours a week as well as watching a delightful 3 year old girl for a new missionary family while they take German classes. Starting here in October she will be taking one or two online college classes.
- started up our weekly dinners with missionaries, small groups and individual appointments.
- started a walking routine that takes us further into the mountains.

### **Praise**

- Megan and Micah had a great start!
- We have been refreshed and have clarity on who we need to minister to this season as God is again bringing people to us.

### **Pray**

- for breakthrough this month in three of our missionaries! (Family circumstances, marriage issues and personal victory)
- for Micah as he adjusts to high school
- for Hannah to have courage to approach companies in Rotterdam for internship opportunities

- for unity and peace to govern our home as we host hurting missionaries
