

DECEMBER 2019

ADULAM MINISTRIES

CIUDAD JUÁREZ, CHIHUAHUA, MÉXICO

We are thankful for an amazing year of ministry at Adulam

God never ceases to amaze us with his grace and goodness, and 2019 has been no exception. The children's home is now a place of refuge to 19 kids during the week. Most of them still go home to families on the weekends, but several have begun to stay all seven days, causing a need for us to expand our staff at the house as well. We have been blessed by the addition of several "tíos y tías" (uncles and aunts, as the kids call them) who help keep the craziness mostly in line! We appreciate your continued prayers for the group of people who works at the home each day, as we hope to ensure that our staff is first and foremost committed to serving the kids by providing a Christ-centered home in which they can grow and thrive.

ADULAM MINISTRIES 2019

2019 was also a year for continued construction on the second floor of the children's home, which is very close to being finished. Just a few details like tile for the floors will bring us to completion. The kids are excited for move-in day that now seems to be drawing closer.

This month we are preparing to head out on our annual Christmas mission trip along with a team from our church, La Puerta de la Fe. We will be driving south to the state of Sinaloa to run a Vacation Bible School as well as family outreach in the small farming town of Chinitos. We appreciate your prayers as we take off over Christmas week.

Please know that during this time of reflecting on all that God has blessed us with in 2019, we feel overwhelmed by his faithfulness in supporting the ministry through friends like you. *Muchas gracias*, thank you so much, for your support of all kinds, for without your partnership we would not be able to take part in many of the adventures God has taken us through over the years.
