

## ***Thankful Christmas Update 2019***

---

Happy Thanksgiving and a meaningful Christmas season!

We are so thankful for how God is working in these days and for all of you - Your prayers have been heard!

- For one of our young ladies that we minister to, we asked for breakthrough for her family situation. Not only did she and her family experience major breakthrough, but it also happened for another one of our other young missionaries, where we did not even ask!

God is so good!

- We also asked for prayer for another one of our missionaries who was struggling and major shifts have happened that are bringing more freedom and

peace in her situation!

- Micah is still adjusting well!

- Hannah has confidence now where there was fear and trepidation as she is filling out applications for an internship!

- There is peace in our home. Not just a quiet, peaceful atmosphere but a peace that heals and restores as we minister and feed people.

So we enter this Advent season with such gratitude, light and peace because we have seen The Lord do amazing things. We want to honor Him and worship Him with our hearts full of wonder through our silly and holy songs and our love for one another. We celebrate Thanksgiving and Christmas with our immediate and extended family here in Kandern plus a few strangers who happen to show up.

**May you and your families be filled with joy and wonder this Christmas season!**

We will be lifting you up in prayer, so if you have specific requests, please send them to us.
