Dear Friends,

We wish you all a Merry Christmas and a Happy New Year !

We praise the Lord for giving us another Christmas Season for Joy and celebrations. Thanks be to God for His Gift to us.

We celebrated Christmas well yesterday. This year the different Parishes of CBC celebrated Christmas at their centers. For over a month now I have been worshipping at different Parishes, but yesterday I and Tabita worshipped and celebrated Christmas at Hai Malakal Parish. After service all the people joined together to partake of the Christmas Lunch.

Attached is a picture of me and Tabita enjoying our Christmas meal.

May the Lord take us all safely to the new year of peace, good health and in the service of our Lord.

Blessings to all.

Nikolai & Tabita Vuni.
