Dear friend,

Thank you so much for your valuable partnership with Gloryshine by supporting us with your prayers and finances.

Can you believe that this is already February 2020? That means my mission trip is fast approaching, Feb 25 to March 24. I would like to give you my mission trip details/agenda that will last almost 4 weeks.

The first two weeks, March 2-12, are Pastors training and this will be our third out of four training sessions.

The next two weeks will include meeting with our teams in India and visiting future ministry possibilities.

My nephew has just finished his medical degree and is interested in introducing our Bible training (Diploma course) to some of his Christian friends in the college. There are 12 students who would like to be enrolled in the course and my plan is to visit with them and make a team that leads this medical student training program. Please pray that these students will catch the vision of Gloryshine and become involved in evangelism.

I also will be visiting villages, where our churches are, and encourage them through the Word of God. My visits in the past have been such a blessing to me when I have been able to minister to them.

It's an overwhelming joy to shake hands with new brothers and sisters in Christ, listen to their stories, hear their journey to Christ, and pray with them and for them. I am excited!

If God is leading you to be part of this trip, would you prayerfully consider supporting us both in finance and prayer? **Our labor in Christ is not in vain. 1 Cor 15:58.**

Here are my needs (the total trip cost is \$3500. Praise God that 90% of this need has been met) this amount includes flight tickets, training, and other expenses. Thanks to everyone who have given generously.

Our monthly support (for pastors in India and Jangas support) is \$3204.

Would you also take a moment to lift these needs up and pray with me? Please pray for safe travels, financial needs, a Spirit-filled and lead mission trip, and especially for my wife Krista and children (as they stay at home). To give online click here: www.globalhz.org/gloryshine/donate
