

MISSION: MOVING MOUNTAINS JAN- SEPT 2020 NEWSLETTER

Please allow me to share with you this update about our ministry!!

BACKGROUND

M:MM is an indigenous, Christian Inter denominational Non-Government Organization (NGO) working in Uganda in Elgon Zone, Busoga Region, Teso and Lira districts with its head office in Mbale town located on plot 31/33 Wanale Road, Senior Quarters. It is registered with the Uganda National NGO Board with Reg. No. S5914/270. M:MM Uganda is a community development organization that integrates Evangelism/Discipleship with Development at grass root levels in the community. M:MM Uganda also trains & mentors other Christian leaders to do this.

OBJECTIVES

- 1) Church and Christian NGO leaders adopt the culture of a Wholistic Development approach to Missions and Discipleship.
 - 2) People in communities able to identify and solve their own problems.
 - 3) People in the communities economically empowered through their self initiated Income Generating Activities (IGA).
 - 4) Evangelical Church & Christian NGO leaders trained through Whole-life discipleship trainings; - foundations, skills I & II and applying the knowledge attained to carry out ministry.
 - 5) Improved agricultural food production & security, general health, income generation and spiritual health.
 - 6) Saved and disciplined people in the communities.
 - 7) Youth empowered with life skills
- ACHIEVEMENTS/IMPACT**
- Twenty (20) villages in Sibanga and Kimaluli sub counties were successfully explored for new D4D work.

- Successful Coaching and Mentoring carried out by Ronald in the Philippines
- Successfully hosted two teams at the Mission House to raise local income (Bethel & Norwegian)

Bethel Team during Community

- A team of 13 students from Agder University Norway, 4 from Makerere University Uganda were trained in Wholistic Development for five days.

Norwegian and Makerere Teams

- Four (4) sub-counties (Sibanga, Busukuya, Lwanjusi & Kimaluli) were sensitized on COVID 19 prevention

- A total of 375 vulnerable families benefited from COVID 19 relief funds from GHI and Global Diaconate

Some of the key Actors getting relief

- Two hundred eighty vulnerable families benefited from the Global Diaconate relief Fund. Every family was given bean seed to plant, besides other items.

Some of the beneficiaries during weeding of beans

- Selection of the right Communities for new D4D work has been done and ready to start.

Up- Coming Events

- Mission House Renovation
