LETTER OF APPRECIATION – MHM STAFF

On behalf of the Teaching and Non-Teaching Staff, I wish to express our profound gratitude to the Most High Mission and Partners for the continuous financial support to the staff of the Most High Mission School at critical era.

We cannot imagine how the lives of our families would have been without your monthly kind gesture. We were left jobless and helpless in the face of COVID-19 as we are not on Government payroll. Some of us has taken it upon ourselves to organize home schools for some of the students in the communities that they come from and also to take the time ministering Christ in the surrounding vicinities.

We say God Almighty continues to replenish all the resources you have extended to the vulnerable you do not know or have ever seen. Our prayer for you all is settled in Psalms 91.

We hope to emulate this spirit of love that you have demonstrated all along.

Blessings,

Victor Affort  
(Headteacher)

LETTER OF GRATITUDE – COVID-19 FOOD BASKETS BENEFICIARIES

We salute you in the Name of the Almighty God. On behalf of the elderly and vulnerable in the Doblo-Gonno community, we wish to render our sincere thanks to the Most High Mission and Partners for the marvelous Food Baskets support we received during this COVID-19 pandemic.

The pandemic has brought untold hunger in our homes especially during the lockdown. But for the timely supply of food items as rice, sugar, beverages, beans, detergent, and previously money to pay for the rent of some households that faced ejection and also medical bills to some individuals by Most High Mission and Partners our plight have been alleviated in no small measure. We were very happy and thankful.

We will always remember you in our prayers for your kind support in this time of dire needs to the needy and most vulnerable.

God richly bless you all,

Christian Ametorwogo  
(Rep. COVID-19 Beneficiaries)
