

February 2020 - Gratitude for a New Bus

We appreciate the Lord Most High and our very friends at the Supply Line for the blessings we received by way of this beautiful and valuable school bus.

The school was in dire need of a school bus. We resorted to a rented cap that made many parents keep their children/wards from coming to school. The cost of running/maintenance drained our finances.

We used to ask staff and students to fast and pray for a bus. Whenever the children would see me visiting their classrooms they'll ask, "Pastor Jacob, when is the bus coming?" Like Abraham, I'd reply, "the Lord will provide." "When it arrives you'll all see it." Sooner than we expected, the Lord Most High provided beyond our imagination.

With the arrival of the bus things have started changing. Parents have started releasing their children to school. We dedicated it on Sunday, February 16, 2020 after a PTA meeting. Parents were excited and congratulated the MHMS and sponsors.

Those who are residents in the community and not commuting also want to have a feel of the blessing.

"We have all prayed, Pastor, we want to ride in it," they'll plead. We asked the driver to take every one on a tour of the communities.

The children were more than excited. Every day of the week, immediately after the last closing prayer and dismissal there is a mad rush for seat in the bus by the children. Whenever it moves in or out they shout, “Most High, Most High, Most High!”

It’s a kind gift we all admire and are very thankful for.

We exalt Him for He is Holy.

Blessings,

Thank you for your prayerful support!

It is good to give thanks to Adonai
And to sing praises to your name, Elyon
To tell in the morning about your grace
And at night about your faithfulness.

For, Adonai, what you do makes me happy
I take joy in what your hands have made
How great are your deeds, Adonai,
How very deep your thoughts!
