

October 2020 Update

Dear friend,

Krista and I hope you are doing well! We have been praying for you and your family during these challenging times. Thank you so much for your partnership through your prayers and financial support! We have been so encouraged by your emails and cards. We are grateful to God for friends like you and our church. It has been an amazing journey watching how God is using Gloryshine to reach more people every month through our churches in India.

We look forward to seeing and celebrating God's work in the year 2021. Thank you to those who have responded to the need of purchasing Hindi Bibles. We were able to buy and distribute 20 Bibles in one of our churches (Please see the pictures below). We could not have done this without your faithful prayers and financial support. **THANK YOU!**

Our Gloryshine board met last week for an annual budget meeting and the budget is set at \$68822 for 2021. This budget includes the Pastor's salary, orphan care, pastors training, and special projects such as safe drinking water and our mission trip to India for three months.

We as Gloryshine are excited about the work being done in two new additional church planting places. We are trusting the Lord that He will provide all the financial needs required. If God puts it on your heart, would you prayerfully consider giving to Gloryshine? As we approach the end of October and November these two months are specifically dedicated to giving to missions. Your gift will enable us to accomplish our vision in 2021 and we appreciate your generous giving to the Lord's work.

Thank you and God bless you.

Serving the Lord together with you,

Joseph and Krista Janga
