HELPING HAND IS REQUESTED

It's a challenging time for every person's family and even nations due to this epidemic of coronavirus COVID-19. As a family we are safe and trying to keep safe, hope you are too.

Chaos' in Kenyan slum as COVID-19 takes toll

<https://www.cnn.com/videos/world/2020/04/15/kenya-africa-coronavirus-covid-19-pandemic-unemployment-sevenzo-pkg-intl-ldn-vpx.cnn>

Kenya is one of the nations that coronavirus has been confirmed with 6 deaths taking place, though as you know Kibera Slum is one of the largest slums in Africa with a population of more than 1.3 million people with **no clean water, no good sanitation** and many **going without food** for this reason. Many here are in so much fear due to this coronavirus.

We are seeking a donation from well-wishers to help combat the COVID-19 pandemic. Your support will help minimize the spread of the virus and keep many families safe from contracting the virus.

The donations will help us get families: dry foods, masks, soap, sanitary towels (pads), and sanitizers. We welcome your donation of any amount.

Youngster for Christ Team has 9 hand-washing stations up and running in Kibera slum, Kenya. Thank you all who are supporting this effort!

Washing with soap works!
