

CORNERSTONE ACADEMY
MANIPUR INDIA

December 12, 2020

Greetings, Friends of the Haokips and the 573 children of Cornerstone Academy!

"We all are firm in our faith on Him and resolute in our commitment to live for His glory at all times and particularly in a trying times such as this...We are making the best use of our time during this pandemic, and now we are looking forward to the day when we will be allowed to start the academic session in full swing." So writes **Dr. Thangboi Haokip** from Cornerstone Academy's school in Pallel, a NE Indian city on Asian Highway 2 which runs all the way from Indonesia to Iran.

During this most unusual year, the Haokips have been wonderfully faithful, as you will see in the enclosed photos. They have not only cared for dozens of children who cannot go home during the pandemic, but they have also taught them the Word of God and disciplined many.

Enormous progress has been made on their school building in Pallel, where they expect to complete the fourth floor by early 2021. As we told you in our Spring newsletter, the Haokips have evangelized the Muslim laborers hired to build the additional floors. They are earnest to re-open both campuses (Sugnu and Pallel).

How can you help? Consider a Christmas gift to not only help pay for the additional classroom space, but also 2021 instructional costs that poor families are not able to cover when schools re-open. **Your generous tax-deductible gift of \$100, \$250 or even \$500 will ensure that Northeast India's poor children will continue receiving a high-quality Christian education.**

With gratitude for your generosity during this Christmas season,

Bob Osburn, PhD

For the Cornerstone Academy committee: Dr. Joel Lawrence, Mark Stage, John Stage, and Dr. Bob Osburn.

P.S. Please write your generous check to Global Horizons, noting on the envelope that it is for "Cornerstone Academy." **Your gift will help poor boys and girls in NE India learn to love God and gain a great education.**
