

## The Botchways Update December 2020

### **Merry Christmas and a prosperous New Year!**

Dear Friends and Family,

We send you our warmest Christmas greetings from our Lord Jesus Christ. We hope you are all keeping well by the grace of God. For Sandra and I, this is our first Christmas in many years in Ghana. We look forward to having great time with family and friends. We pray for you too that you might have a wonderful time celebrating the birth our Lord.

Last year before the year ended we were looking forward to a blissful new year and then Corona knocked on our doors. Covid. 19 has changed everything around us and we pray God's protection over your life and keep you safe.

The Covid 19 pandemic didn't allow us to organize our seminars as planned, but we were able to minister in different churches. In November we were able to hold two seminars in Akim-Oda, in the Eastern Region of Ghana on November 14th 2020 and in Akwatia, also in the Eastern Region on November 28th 2020. The attendance in Akim-Oda was a little low because of major activities going on in the town but we had a large attendance in Akwatia. Some of the leaders in the Akwatia Church council requested that we come again next year because they were blessed. Unfortunately one of the churches we visited has just lost their Head Pastor. The Lord is using us to help them deal with this difficult situation. Please pray for the wife, the children the family and the entire Calvary Word Chapel.

### Update on the purchase of the 4x4 Vehicle

The bid on the vehicle we planned to purchase did not go through even though that would have been cheaper. We have opted to purchase one on the market. The offer on a Ford Escape is \$12,000. We have raised \$8,000, therefore the remaining amount is \$4000. Prayerfully consider to give towards the purchase of this vehicle as this will

considerably help with our travels on the bad roads. Thank you to those of you who contributed last year towards the purchase this 4X4 vehicle.

### Prayer request

- Pray for our next year's Seminars and Conferences.
- Pray for our health and safety as we travel.
- Pray for wisdom and discernment as we connect with Leaders and Pastor

Thank you for your partnership and support, even in these hard times. Some of you may have experience some challenges but have continued to stand with us. Our prayer is that God will sustain you and to provide for you.
