

Updates, prayer reports from the Botchways. (August 2021)

Dearly beloved family and friends,

It's always been a joy and a pleasure to connect with you from time to time to let you know where we are and how the Lord is leading us in our assignment. As always, we are thankful to the Lord for your partnership and commitment to our ministry which you are a part of. Your daily prayers and financial commitments have sustained us, even in these challenging times. There are changes all around us and especially with Covid 19 and the impact it has had on the Church. We would like to stay focus and move forward and not to be deterred by the challenges we are facing. The scripture says, "By wisdom a house is built, and through understanding it is established; through knowledge its rooms are filled with rare and beautiful treasures." (Proverbs 24:3-4) The more knowledge and understanding we have about these challenges; the Holy Spirit will help us to apply God's Wisdom to move forward. May you be encouraged in your walk with the Lord. May His grace abound more and more on you. May you overcome every situation you are facing.

Seminars

Last month, on the 24th of July, we had our Pastors and Leaders Seminar at Anyinan, in the Eastern Region of Ghana. It was another life challenging experience with Pastors and leaders who were dealing with Covid 19 and other leadership issues like authority in the Church, coaching and mentoring other leaders in the Church. Most young and upcoming leaders are very impatient and do not want to go through training and waiting for the right time to be released into ministry with the blessing of the Church. Most of them since they are gifted, dwell on that and don't develop their character. On the other hand we have leaders in

the Church who feel threatened by the gifts and abilities of these young ones and therefore tries to suppress them. This is unhealthy and needed to be addressed.

Church Ministry

As interim Pastors, we are involved with the day today running of the Church (Calvary Word Chapel) as mentioned in previous reports that the pastor passed on. It's been encouraging to see the youth ministry coming alive. Our discipleship training is moving on well with several of the youth are attending.

Youth Summit

This week from the 24th of August to the 29th August was the youth summit. It was attended by young people from our Church and other

churches around the area where we serve. The theme was **"Chosen for greater works"** They were challenged as future leaders to discover their role in God's agenda. They learnt how to submit to training and not to despite it. The high light was, when the altar call was made, several of the young people went forward to give their lives to Christ. They prayed to receive the help of the Holy Spirit in their lives to live out their calling. It was a glorious moment to behold. **"THANKS BE TO GOD"** One of the hot topic on the program was on relationship!! Some of the questions we dealt with were *How do you know someone is right for you? *When is it the right time to be in a relationship? We were blessed to have some Pastors who were around to give their input. The Summit was ended with a dinner organized by the Senior Pastor Evelyn Dei and some of the leaders of the Church.
