

August 2018

Dear Friends,

Greetings to you all, trusting that all is well with you as it is with us here.

I have not written to you lately, because I have been busy with church work. I and one of our Bishops have travelled twice to another city as it is a new place that we are trying to open up for the Lord. The last time we were in the city, we bought two plots of land for the church, total area 1,000m<sup>2</sup>.

The church sent the Deacon to the new city to help our Evangelist for a period of one year. It is hoped that after one year another worship center would have been established in this new city.

After the visit I and Tabita travelled to Uganda to attend the funeral of my aunt's daughter. We are now back to Juba. This week I shall work with the Treasurer to prepare Financial Report for our donors and GHI.

Praise Items.

1. Praise the Lord for the evangelism that is being carried out in the new city.
2. Praise the Lord for the discipleship training that the two men are providing for new believers.
3. Praise the Lord for the two plots of land for the church.

Prayer Items.

1. Pray for continued good health for me and Tabita for the Lord's work.

We remember you all and pray for you all.

Nikolai & Tabita Vuni.
