

January 2019

Dear Friends,

Greetings to you all. Happy New Year!

We trust that the Lord has brought you safely to the New Year as He has brought us.

We had great celebrations on Christmas Day as I had already informed some of you.

On the first of January I had the privilege of dedicating the baby of our Evangelist and his wife at New Years' Service at our church. I am sending you the picture, and also the one of my preaching at a Christmas celebration on 26th December 2018 in a shelter under a huge baobab tree.

We expect greater things from the Lord for the ministry in 2019.

Blessings to you all

Nikolai & Tabita Vuni.
