

January 2021

Dear Friends,

New Year's greetings to you all. We thank God for bringing us safely to the New Year.

I thank God for a busy end of year and beginning of the year. The Sunday before Christmas I preached about Christmas at church. On Christmas day I preached at the same church. On New Year's Day the church was invited to celebrate in the house of a member, and I also preached there.

Last Saturday we held the first fund raising for one of our churches. They are building a permanent church. So members from the different churches came together to raise funds for the church. It was a happy occasion. We hope to have another occasion again so that church members learn to support the ministry.

Pray for us that in the New Year we continue to advance God's kingdom.

Blessings to you all.

Nikolao & Tabita Vuni.
