Dear Friends,

Today is Sunday and we have just returned from church. Today the preacher is our first born daughter. She is the leader of the Women's Ministry in Juba Diocese.

Last Sunday Tabita was the preacher and today our daughter and next Sunday I shall be the preacher. Pray for us as a family that the Lord may continue to use us as a family for the good of His church.

Dear Friends,

Greetings in Jesus' Name. Today is Sunday, the Day of the Lord. I am sure you enjoyed the word of God in fellowship with other believers in the Lord's House.

Today I was the preacher in a church at one of our parishes. The text was I Kings 21:1_end. Pray for us.

This is a picture of me blessing the offerings and tithes at the end of the service. Blessings to you all.

Pastor Nikolai Vuni.
