

Christian Brotherhood Church  
Sept. 6, 2021

Dear Friends,

Greetings.

Last weekend (Friday and Saturday) I chaired the Ma'di 'Burulo Translation Committee that I head. We had not met for some time because most of the members were out of town. On Friday 3 of us met and on Saturday 5 of us turned up. We are correcting the whole of the New Testament which we have completed. It is a huge work but we are committed to it. Pray for this work.

Nikola Vuni
