

Christian Brotherhood Church  
December 2021

Dear Friends,

Praise the Lord! Greetings to you all, in the Name of our Lord and Savior Jesus Christ. We trust you are doing well, though we have not heard from some of you for a long time now, and we are wondering, what is happening?

As we near the end of the year and approaching Christmas and New Year, Corona virus is still raging and keeping on mutating. We do not fear. Our God is in control.

In this season also the Jews worldwide have been celebrating Hanukkah, the Feast of lights, remembering the cleansing of the temple after the victory of the Maccabees over the Greeks. As Christians we celebrate the coming of Jesus. The Light of the world.

In the family we have been mourning. Tabita lost the daughter of her elder sister. This Sunday morning, she will accompany the coffin to the village, about 50 miles south of Juba. The group will probably return tomorrow. Pray for travelling mercies, and for the family.

In South Sudan, and Juba in particular, good things are happening. Two evangelists from Florida, heirs of the famous Evangelist Bonke, who passed away some years ago, are here in Juba for a campaign beginning last Thursday and ending today. Many people have accepted Jesus as Savior and many also were physically healed.

Another good news also for Juba is that the different churches in Juba have organized one week of Fasting and Prayer for South Sudan beginning Monday tomorrow.

We remember you all and pray for you all. May the Lord grant you a Merry Christmas and a Blessed New Year. Amen.
