Greetings from Ghana.

Greetings to our friends, sponsors, and partner in name of our Lord and Savior Jesus Christ.

Christmas is a time of Love. It is about the goodness of God, who got involved in our lives. God is Immanuel - God with us! Because He loves us He has been merciful to us. He is always by our side in all our difficulties and challenges. He never leaves us, He gave Himself to us, and that is love. The spirit of Christmas is the spirit of giving.

The Covid pandemic affected and disrupted many lives of people around the world. Many lives have been lost, many feel frustrated. No one seems to have an answer but we know one man who has the answer. His presence is always with us and He never leaves us alone. He is our beacon of Hope. He is our strength encouraging us to take one step at a time. We have to continue to trust in Him. He is love incarnate. Christmas is a time of Hope. Let this Christmas be a different one for you and the IWM Team. Let us be a sign of love, hope, and healing to our world. Let us live Christmas with grateful hearts!

Bible Project and Skill Training

Our bible study centers are growing. Women are willing to attend classes because most of them receive bibles. They do not stay home with their bibles but they attend and even bring others. The major dream of this ministry is to encourage more women to study the bible.

This dream is being realized because of the your generous donations. We appreciate your support. Please continue your kind cooperation and put more bibles in the hands of those who are hungry for the word of God. Our Monday and Tuesday bible studies and our meetings with young people are ongoing.

Some of the women who benefited from the skills training classes are earning a living using these new skills. Others are hoping and praying that they would be blessed with some startup capital for materials.

Some women need financial support to be able to raise animals, plant some crops, and trade. IWM is looking at a microcredit program. This will assist them to make good use of any money they may receive in the future, so that they will benefit from it. We are praying that we will get donors to make the lives of some of these poor women better. I believe that God hears the cry of the poor.

GHI and Ghana CU

GHI raised funds to support the process of automating the Ghana CU Library. Delores (intern with GHI from North Central University) and Esther Diggs came to Ghana with equipment and four Knowledge Boxes. Each of the Knowledge Boxes serves as a low-cost computing device downloaded with educational information. Delores and Esther helped the Ghana CU Technical Team to install the server. Because of this kind gesture from GHI this library is now computerized.

Ministry to the Destitute

Two of our team members are drawn to ministry serving drug addicts and the destitute. We occasionally visit them offering food and clothing. You will be amazed to see them actively participating in bible study. Some of them know scripture but it they have been stolen by the devil. Please specifically ask for special prayers for these young men. Pray for the light of God to shine in their lives for them to be snatched from this horrible life. Two of them have expressed interest that they need help to come out of the addiction.

It is with great joy and gratitude I share that we now have a laptop and a projector for the film ministry of IWM. Our team could really use an additional laptop computer, if anyone has a laptop that they are not using, we will be happy to receive it. Contact me and we will make arrangements to bring it here.

COVID Items

We get requests for relief items to help deprived churches to observe the Covid protocols. With your kind support we would be able to continue to provide COVID relief items for these churches.

Clothing Drive

This year we went out five times to donate clothes. Many are calling us to pick up clothes they do not need, Please we need help to fix the vehicle. He has so much passion for destitute people, the poor, and for lost souls.

We are grateful for all your gifts and donation. We would not have been able to do all the ministry things without your support.
