

Thank you from Kimwanga Widows

Feb. 14, 2022

Praise God.

With gratitude, I bring warm greetings from Kimwanga Project, Uganda.

With a humble heart, allow me to extend our heartfelt gratitude and appreciation to you, for your generosity and kindness towards us at Kimwanga Widows Project.

We received funds for 23 goats, we thank God that our teams managed to purchase 23 she-goats, vaccinated them and transported to two different distribution sites. We also managed to extensively bargain and squeezed some money to secure some refreshments for the day, bought sugar and soap for each widow.

The jubilations and gratitude from the widows were indescribable. Thank you!

From the local board and volunteers of Kimwanga Widows Project, we are highly indebted to you for your support, kindness and generosity. We ask the faithful God to bless you abundantly and reward you in triple portion.

Thank you once again and God's blessings upon you

Yours faithfully
