

Updates from the Botchways

March 2022

Dear Family and Friends,

Thank you for your continued support to the work of Enrich Leadership Network. It is such support that encourages us to travel long distances to connect with leaders and Pastors from different backgrounds and denominations; to Equip and empower to affect their communities for good.

“The Lord reigns, let the earth be glad; let the distant shores rejoice.” (Psalm 97:1)

It's a new year and a new season. Whether we feel up to it or not, it's certainly the year that the Lord has made; and we will rejoice and be glad in it. IN spite of what we are confronted with today in our world; the battle still belongs to the Lord and the victory is ours. Whether it's Minnesota's weather, Covid 19 and now Russia and Ukraine or maybe the loss of a loved one, or any other thing, we have a God who's got our back.

Apologies for the long silence after our last update. Ministry is still going on. We are visiting other Churches and making connections with Pastors. We have also been actively involved with Calvary Word Chapel. I have been doing leadership training for the leaders who were inducted last year to support the Senior Pastor and her Associate. The Senior Pastor Rev. Mrs. Dei lost her last year and there will be funeral services coming up for him on April 1,2 & 3, 2022.

Conferences and Seminars

Activities carried out within the year 2021, On May 29th 2021, at Aboaso, Kumasi, in a church called Loyal Chapel International we had our first seminar of the year with 39 participants even though we were expecting 50 people. The second seminar was held on July, 24th 2021 with 43 people in attendance. It was held in Anyinam in Anyinam Presbyterian Church. The third seminar seminar which was planned for November 27th was cancelled due some logistical challenges.

Leadership Transition at Calvary Word Chapel

On December 19th 2021, as the interim pastor and the leadership organized a Thanksgiving Service and Remembrance Service for my beloved friend and pastor, the late Re. Dr. Dei and an Induction Service. Rev. Evelyn Dei was

inducted as the Senior Pastor. Pastor Maxwell Baako was inducted as the Associate Pastor with some of the leaders of the Church who serve in different ministry opportunities. The service was attended by friends and members of the Church.

After serving as interim Pastors for a year in Calvary Word Chapel, a Church which was pastored by my friend who passed away, the Church still wants us to be on board with the leadership. Please pray for us as we discern God's will in this matter.

Seminars 2022

Our first Seminar for the year was on March 19th 2022. It was held at the Christian Militant Ministries at Akwatia in the Eastern Region of Ghana. It was attended by fifteen Pastors and leaders. It was one of our low attended seminars, even though the Coordinator invited about 150 pastors and leaders. We were a bit disappointed but it was very impactful. The hunger and enthusiasm of the Pastors made it worthwhile.

During the questions and answers time, it was made clear to me that, they were the right people to be there. The chairman of the local pastors group came almost at the close of the meeting to encourage and apologize to us not to take them out of our books. He personally promised to be involved next year God willing to encourage others to attend. We were humbled by his appeal and promised to work with them.

One lady lamented why wasn't all the Churches invited? The Coordinator as I indicated earlier did his best, but some Pastors are difficult to deal with. Some out of the experiences they've had with other ministries are very cautious where they go.

Please pray for us because it's not easy dealing with Pastors.
