

Christian Brotherhood Church - April 2022  
Dear Friends,

Greetings to you all, trusting you are all well after Easter Celebrations. We celebrated Easter well here in Juba. I was the preacher. Tabita went to the town where our third son Benjamin and family live. She came back last Friday.

After my return I convened the Ma'di 'Burulo Translation Committee which I chair, and we did some translation work. We met again last Friday and shall meet again tomorrow. We completed the Gospel of John, revised it and I completed the retyping yesterday. After this we shall read it before a committee of language experts to make some necessary changes, if any, then send it for printing. We shall do the same with all the books of the New Testament.

Attached are photos of the Translation Committee at work. I am in spotted shirt. The photo was taken from my back. The other pictures are of Easter congregation. Blessings to you all

Nikolao & Tabita Vuni.
