Spring Update

This spring has been full of excitement at Adulam Ministries. In April, Juan led a mission team south to the mountain town of Baborigame, which is located near the border of the states of Chihuahua, Sinaloa, and Durango. The team led a Vacation Bible School event for over 200 children and evening outreach services for families. They were also able to bring grocery donations for families in need, which is a great blessing for this remote town. We were surprised by a last-minute donation of 30 bicycles just before the team headed out for the trip. While transporting them through the rough terrain to Baborigame was...exciting, the kids in the town were ecstatic when they saw the van roll in!

CHILDREN'S HOME NEWS

In May, the Adulam Children's Home celebrated its 6th anniversary! When Adulam Children's Home opened its doors in 2016, we began with three children from a single family. Today, we have added a second floor addition to the home and house between 15 and 20 children from Sunday to Friday each week. Kids may come to Adulam for a variety of reasons: Some are being raised by grandparents who simply cannot care for all of their needs. Others have experienced trauma in the home and need a safe place to live, learn, and be loved. Kids at Adulam have the opportunity to attend school (which is not a given in all homes in Mexico due to the cost involved) and grow up knowing the amazing love of Christ. We have seen our work grow and improve over these 6 years and pray that it continues to do so. We are so grateful for your continued partnership in this work.

Pray for Adulam

- We have found ourselves in need of a small car for the purpose of completing day-to-day ministry needs. (Believe it or not, gas is even more expensive in Mexico than in the U.S.) Please pray that God would provide for this need, particularly at a time when used cars are expensive and hard to come by.
- Pray for the continued daily work at the children's home. We recognize that a missing piece of our ministry puzzle is work with the families of the Adulam children. As we move forward into future years of ministry, pray that God would provide both the knowledge and the personnel to fill this important need.
- A big work like running a children's home means we are always looking for additional staff to help in many areas. Pray that God would provide in this area.

Dios les bendiga
(God bless you),
