

Update from the Botchways

May 2022

Dear Family and Friends,

It's always a joy to be able to connect with people of like minded faith and vision. Your continuous prayers and financial support has kept us moving on and doing what we are committed in doing. As Myles Munroe said, if there is going to be any progress in any society, if anything positive is going to happen, it takes leadership. God is always looking for that person who will respond to this call. We are so excited about what Enrich Leadership is doing by connecting with leaders, training and coaching to be agents of change. Thank you for all the sacrifices you have made over the years and continue to make. Thanks for those little comments and encouraging words from some of you.

SEMINARS

This years seminar has been a bit slow in starting, but finally on June 28th, our first seminar begins in the Central Region of the country in a town called Winneba. This will be about two to three hours drive depending on the traffic. There is another seminar planned for the end of August this year in the Ashanti Region. Hopefully, there might be one or two more before the end of the year. Please be prayer for favor that opens doors for pastors to respond to these seminars.

TESTIMONY!! In our last Seminar, a woman stood up during the Q&A and asked **“where have you been all these years?** Our host responded, we've been here all the time calling and crying out to you. What moved her to ask that question? She was so much blessed by spending a few hours with us. We are changing lives, one person at a time. These are some of the stories that gives us courage to move on.

CHURCH COMMITMENT

My wife and I are committed to supporting Calvary Word Chapel; a church that we've invested so much time, energy and resources since we've been back to Ghana. We needed a home Church and have been praying for God's guidance. I'm on the leadership team committed to raising up strong leaders. Our vision this year is a commitment to PROJECT 100 SOULS (Save A Soul Today) "And he who wins souls is wise". (Proverbs 11:30)

PRAYER POINTS

1. Prayer of praise and thanksgiving that Sandra is safely back in Ghana. All her tests and appointments went very well and we celebrate the faithfulness of God.
2. God's continuous wisdom and leading as we connect with leaders and Pastors.
3. Divine guidance and protection as we travel back and forth on our roads.
4. Prayer for our nation as we wrestle with the economy and its challenges. Ghana is going through a difficult time. (Pray also for the security of the nation, against extremism)
