

September 2022 Recap // World Share Updates

It's hard to believe October is already upon us. As we look back on the year, we're amazed that we've been on the road 7 out of the 9 months so far! We are truly grateful for the opportunity to travel to so many communities, get to know the people and their needs, serve, and share their stories with you.

MISSION UPDATES

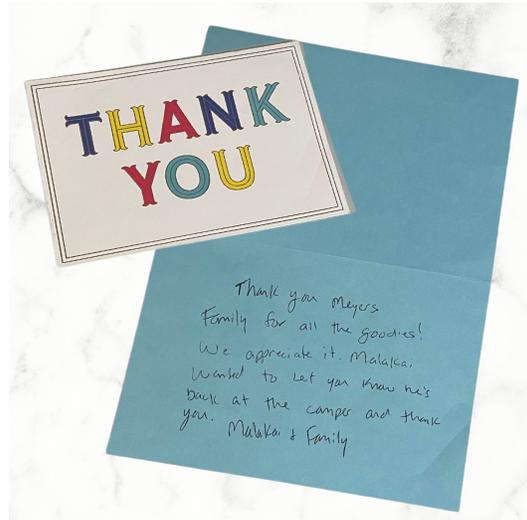

For our **monthly World Share event**, we partnered with Hanoverdale Church in Hershey, PA for an End of Summer Fair event.

Here are the highlights:

- 800 people attended the event and 400 of them were kids
- World Share provided each child with an Impact Kit, bubbles, stickers, pencil pouches and healthy snacks
- 8 cases of Bibles were given out
- Many of the kids who attended were from the [Milton Hershey School](#) - a cost-free, private school and home for low-income children grades K - 12

At our RV park in D.C., JJ made friends with Malakai, a 3-year-old boy born with a rare foot deformity. He and his family are from Kansas and will be staying at the RV park for several months so he can have surgery and recover close to his specialist Doctor in Baltimore. He has a long recovery ahead of him, and staying in an RV was the most affordable option for the family to stay for so long. World Share was able to bless this little boy and his mom right before surgery - we delivered meal gift cards, dinosaur toys and a blanket, and coloring activities to keep him busy while his foot heals.

THANK YOU to those who are financially supporting World Share so we can bring hope and smiles to so many kids across the country. It's truly a blessing to so many!

STORIES FROM THE ROAD

During some of our down time, we got to:

- Visit Hershey Park, thanks to a generous supporter who provided us with tickets
- See the production David at [Sight & Sound Theater](#) in Lancaster, PA
- Explore D.C. and participate in worship, prayer and a march for the martyrs at the Washington Monument, where we were interviewed by [The Christian Post](#)
- Meet, honor and thank 30 Veterans from an [Honor Flight](#)

HOW YOU CAN PRAY FOR US

- We have two more large World Share events this year and we're praying that God will use us to bless the kids and families who attend.

- Please also pray for discernment as we seek the Lord's will in our 2023 plans and partnerships.

MAKE AN IMPACT

Would you consider making a one time or recurring donation to help support the mission?

100% of your donations go directly to kids in need:

- **\$1** provides an Impact Kit to a child in underserved communities. We have a goal of distributing **5,000 kits** this tour
- Each month we host an outreach event and bring in food, snacks, games and activities for kids in underserved communities. Your donations help make these events possible, and any amount helps make a difference for kids like Joey
