

OCTOBER 2022

# ADULAM MINISTRIES

CIUDAD JUÁREZ, CHIHUAHUA, MÉXICO

## Back to School!

Although the desert southwest is still enjoying hot sunny days at this time of year, the children at Adulam packed up their backpacks and returned to classrooms in August. After two years of the majority of learning happening at home, the kids are excited to head back to school. This year we have kids attending two different local elementary schools, one junior high, and one high school. As you might imagine, this makes the daily drop off and pick up schedule quite exciting! We are so grateful to the many people who sent backpacks, school supplies, uniforms, and money for registration fees for the 18 kids that are currently at Adulam Children's Home. We are looking forward to a great school year!

# STAFF SPOTLIGHT: ALEYDA SALAZAR

Adulam Children's Home could not run without Aleyda. Besides being the director of the home, she keeps us all afloat by maintaining the organization of day-to-day activities, making connections with local groups who support the ministry, and pouring countless extra behind-the-scenes hours into the hidden work of running a children's home. Aleyda also directs the Saturday children's ministry at Puerta de la Fe church, which serves a hot meal and Biblical lessons to around 100 community children every week. When asked why she loves serving at Adulam, Aleyda says, "My work here began as a promise to God. I told him that if he changed my brother Juan's life, I would serve him full time in ministry. I continue here for the love of making a difference in the lives of these little ones, showing them that they can move forward if they walk in God's love."

## Pray for Adulam

- We are in need of a 15-passenger van for the ministry. We use our van for transporting kids to and from school and activities, as well as for our mission trips several times a year. Please pray that God would provide for this need, particularly at a time when vehicles are expensive and hard to come by.
- Pray for the continued daily work at the children's home. We recognize that a missing piece of our ministry puzzle is work with the families of the Adulam children. As we move forward into future years of ministry, pray that God would provide both the knowledge and the personnel to fill this important need.
- A big work like running a children's home means we are always looking for additional staff to help in many areas. Pray that God would provide in this area.
