

Oct. 2022  
Dear Friends,

Greetings to you in Jesus' Name.

We trust you are all well. We are also well here. However, Tabita has malaria and is under treatment.

Every month the servants of the Lord in CBC meet together for fellowship. The meetings rotate from church to church. Last Saturday the meeting took place west of Juba.

This time they asked me to speak. I spoke on Serving the Lord with Vision. It was very good. We had a Fellowship Meal together and returned home at 4:30 PM. Attached are photos of the church.

Blessings.  
Nikolao.
