

October 2022

Dear Friends,

Greetings to you all in Jesus' Name. We trust you are all well as we are here in Juba, though we have cough and cold. We are on full alert because of the reported deaths in neighboring country of Uganda because of an outbreak of Ebola disease. Pray for God's protection.

The three days' Pastors' Conference ended last Saturday, bringing Pastors from different churches in Juba together. I spoke on the last day of the Conference, the closing message on Forgiveness and Reconciliation. Pray that the churches in South Sudan can be "salt" and "light" to make an impact on the communities and in the country.

Thank you all for remembering us and praying for us. Attached are some photos of the Conference - the Pastor's in the Conference, I am greeting a visiting Pakistani Pastor, I and my interpreter preaching, of me preaching and a group photo of the Pastor's. I am standing behind the squatting man in white shirt.

Blessings.

Nikolao & Tabita Vuni.
