

**Full Life Education and Training Center
Nepal**

Our mission is to make God's love known to our neighbor

Some of our activities to achieve the Mission.

Ginger Farm

Change – a few believers took part in this project and earned money and gave tithes to their Father God.

Goat Project

Supported by Grace church and a Korean Missionary

14 goats distributed and 6 baby goats; altogether we have now 20 goats!

Chicken farm

Starting Pig Farm in small scale

A young man was ready to go for overseas work. But the church managed to provide some work for him so he started tending pigs.

Long term objectives of Full life Center -

1. Home for five kids
2. Shelter for elderly, differently able children
3. Skill development trainings for unemployed youth
4. Discipleship Training
5. Worship Center
6. Retreat Center

We need a building. We started construction of a community center in 2021.

Here are the progress photos.

Prayer points

1. Please pray for God's provision for second phase work which will include roof, wall, wiring, and others.
2. Our total budget is 60,000USD
3. 15,000USD was raised and used for foundational work.
4. Now, our need is 45,000USD
5. For the year 2023 we are praying for 15,000USD, for pillars, walls, and first slap.

Thank you for your prayers.
