MENTOR A MENTOR

“It strikes me that what you’re teaching these guys is so helpful. I don’t see any competition between them. They don’t fight with each other. They don’t argue with each other. They get along with each other. However you’re teaching them, you’re teaching them some amazing things. It’s so obvious watching them.”

Earlier this month on a visit to Mentor a Mentor partner site, Casa Hogar Adonai, one donor made this keen observation. Capoeira instructor, Gabriel, isn't just teaching his sport to these children and youth, he is teaching them imperative life skills while simultaneously demonstrating his dedication to them as individuals. His consistency communicates to them their innate worth.

Join us this Giving Tuesday, on Nov 29, 2022, when people all over the world join together to strengthen communities and make this world a little bit better than it was before. Let's continue to make Gabriel's work a reality.

Mentor a Mentor will be joining the Giving Tuesday movement via our facebook fundraiser [here](#) with Global Horizons, our a 501c3 nonprofit partner. You can also support us via our website [here](#). Join us and help us spread the word-stay tuned for updates and stories!

Blessings!
