

RVOBUSA - November 2022 Update

God called us to sell our RV after 10 years and to now travel in our car. We are still a Roaming Vehicle Of Blessings United States of America.

Larry and I started on our journey March of 2013. We have visited and prayed in all 48 continental United States, visiting Alaska and Hawaii. We have driven over 60, 000 miles and stayed in hundreds of campgrounds across the U.S.

God has led us to minister to hundreds of people in every state.

500 Hope-filled bags were passed out to the homeless across the country. They were filled with snacks, a water bottle, toiletries, personal hygiene products, socks and a handwritten note of love, faith and hope from God.

"FREE PsALM" reading was done on the beach in the mountains and on city streets. People picked out a Psalm of blessing randomly from a container. We read it to them and then we prayed over them. They were given a bible with their Psalm underlined in it. Pre-Covid we gave thousands of "free hugs".

God proved His Faithfulness and provision over and over. We are so thankful for everyone 's financial support, prayers, encouragement, love and kindness.

**WE ARE NOT DONE!**

We will be doing ministry here, there and everywhere as God leads, guides and provides, every day in every way.

We are excited for what is next. Larry and I will still be traveling and doing ministry along the way.

We will be returning to Bonita Springs, Florida to help rebuild and restore the communities that were devastated by Hurricane Ian. People have experienced such great loss and some feel alone hopeless. We will share God's love and tend to those in need physically, emotionally and spirituality.

Ministry will continue in the community of IBE.(Imperial Bonita Estates) where we live. We hold Sunday evening church services, men and women's bible studies along with personal ministry one on one. Each year we hold a Service of Remembrance for all who have passed away. It is a time for the community to come together to celebrate the lives of those no longer returning.

Larry and I also serve at our city of Bonita Springs Church that is an outdoor, outreach, outstanding church that meets in the city park. They have been busy serving the community to help after Hurricane Ian. We will be working with them when we return. Plans are being made

for volunteers to be able to come and help rebuild people's lives. Construction material, clothing and household items will be sent.

Update from this summer, while in Shakopee, MN this last summer we participated in many community outreach helping meet the needs of individuals and families.

We planned with Heart a "Community Birthday Party" in Bonnevista Terrace mobile park. We had birthday cupcakes, drinks, balloons and banners sharing God's love for them. Each child received 3 presents with a blessing celebrating their lives. We shared of how they were fearfully and wonderfully made.

We have connected with our neighbors here in Shakopee and tended to their needs along the way.

Life is always an adventure. Each day is a glorious day to love God and love people. We rely on God and the Holy Spirit to be our guide and our provider.

Every step we take is one to see His Kingdom come and His will to be done. Please join us in prayer as we seek God and His will. We appreciate your support through love, prayer, encouragement or financial giving.

Our prayer for you is found in Numbers 6:24-26, "The Lord bless you and keep you; the Lord make his face shine on you and be gracious to you; the Lord turn his face toward you and give you peace."

In His Service,  
Pastors Larry and Susan Fannon
